Our School Prayer

We bless you our most high God and Lord of mercy

We pray that you would bless each one of us this day.

Give us **inquiring minds and discerning hearts.**

Give us **courage to persevere** in all we undertake.

Give us the **gift of joy and wonder** in all things.

Give us **laughter and love** to share with others.

Give us **protection and safety** in all that we do.

And give us sure and **certain knowledge of your unfailing love.**

Glory to the Father and to the Son and to the Holy Spirit both now and forever and to the ages of ages.

Amen.

How people get better...marginal gains

- Improvement in mattresses
- Tiny changes in diets
- Small massages after every day
- Motivational Podcasts
- Review the track each day before sleep

Marginal Gains

“ Making Small improvements that add up to a large significant improvements overall”

Listening in Class is a big marginal gain

- The most important thing students can do in lessons is listen to their teacher
- Listening to can be difficult and it we need to work hard to do this.

BUT

- There are things students can do each lesson to make sure we are actively listening.....ASAP

How do we actively Listen?

ASAP is our way of making sure we maximise every learning opportunity so we can **all** succeed.

ATTENTION TO THE SPEAKER

Our attention is always on the person speaking

SIT UP STRAIGHT

We sit up straight in our chairs and do not slouch

ARMS ON THE TABLE

Our arms are always on the table where our teachers can see them

PENS DOWN

We make sure our pens are not in our hands unless we are told otherwise

Why does this matter for your child

- Better Learning in lessons
- Fewer distractions
- They can understand what is happening next in the lesson
- They will get higher grades
- They're then more likely to take the best A-levels
- They're then more likely to go to the best Universities
- They're then more likely to get the best jobs
