ST ANDREW THE APOSTLE SCHOOL

- A Christian school with high expectations and aspirations for all our learners.
- Our student and staff body are diverse, and we welcome those from all faiths and none.
- Our supportive, inclusive environment is one where every child is known and valued.
- We deliver a broad curriculum that promotes academic excellence and exceptional progress across the ability range.
- Visitors comment on the friendliness of our school, its community feel and our Christian ethos. They also recognise the focus of our students as they strive to achieve in the classroom.

Our faith
values:

Respect
Responsibility
Caring
Fairness
Forgiveness
Trustworthiness

Our bible
verse:

"Be kind to one
another, forgiving
one another, as God
forgave you."

Ephesians 4:32

Our school motto is

Ever to Excel

For our ethos, this means the following: our students always try their best and never give up knowing that they will be nurtured and supported to achieve their ambitions.

The 7-year journey for our students is a great experience where they feel cared for at every point.

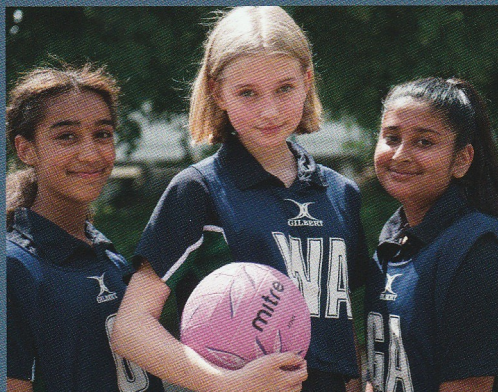

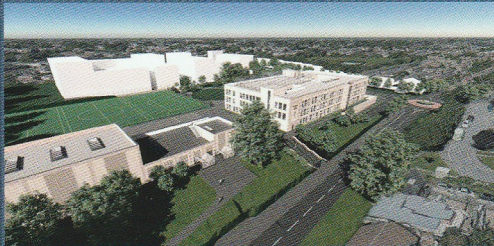

Outcomes in 2023 – GCSE and Post-16

- Many of our students in Year 11 and Year 13 made exceptional progress.
- Attainment is consistently significantly above national averages. Our Key Stage 4 and Key Stage 5 results over time compare favourably to schools in the local authorities we serve: Barnet, Enfield and Haringey.
- Established pathway for sixth form students to places at Russell Group universities, Oxford and Cambridge.
- Record Progress at GCSE in 2023, of almost half a grade per subject above average expected grade.
- All students moving on to the next step of their education, apprenticeship or training.

When students leave our school, they will know and understand their place in the world, be accepting of others and have a positive mind-set which will enable them to excel in all they do.

We are currently in temporary buildings on the North London Business Park. Please see our website for details on the plans for our wonderful, long awaited new building, which we will move into during 2025.

"St Andrew the Apostle is a caring and nurturing school where my son has flourished both academically and emotionally. He is happy and he is challenged academically. It is a pleasure see him developing into a confident young man ready to take on the challenges that life might bring on him."
