

## St Andrew the Apostle School Celebrate Fantastic GCSE results

Students and staff at St Andrew the Apostle School celebrated another great set of GCSE grades on Thursday with strong progress overall, similar to their record results of last year, with 'value added' of almost half a grade per subject!

Chair of Governors Mary Karaolis, OBE, commented, 'These results are a testament to the hard work of pupils, teachers and parents; the school is rapidly gathering momentum before our move into our superb new buildings next year'.

English and Maths results featured good progress and increases from last year of students achieving a strong pass (grades 9 - 5) in each subject and both English and Maths together! There was also wonderful progress for students in our Humanities subjects and performing arts.

Headteacher Dr Philip Hills commented, 'After last year's record set of GCSE grades we are delighted that the hard work of our pupils and teachers has been rewarded once more, with strongly positive outcomes and overall progress. We are especially excited that many of this year group will still be with us to enjoy our wonderful new sixth-form centre when it opens in September 2025'.

Savan, a Barnet 100 and 200m athletics champion, celebrating a host of A\* grades at St Andrew the Apostle.

Sofia, with a superb value added score of more than two grades per subject.
