

St Andrew the Apostle School Weekly Newsletter

Be kind to one another, forgiving one another, as God forgave you. Ephesians 4:32

20 July 2023

Message from Headteacher

It's been an action-packed final few days at St Andrew. On Friday evening we enjoyed a feast of entertainment at the Talent Show with numerous superb musical, dance and dramatic performances. I especially enjoyed chatting with so many families in the interval and I should single out FOSA, our parents' association, for their support on the refreshments.

Year 9 students hugely enjoyed their trip to Whipsnade Zoo on Tuesday and were blessed with clement weather.

This newsletter now has a rival – please see below for a link to 'Apostle News' an innovative and creative new magazine pioneered by our energetic and intrepid Year 7 pupils under the supportive tutelage of Ms Casey and the English Department. Some of the opinion pieces are playfully provocative, but we will be ensuring that there is editorial balance and a right of reply in future editions!

Please see my end of term letter for the formal arrangements for next term including form tutors, start times for each year group etc. I am particularly delighted that as part of our new build project, which is well under way, we will be reinstating a pedestrian and cycle access to Brunswick Park Road in the autumn term.

Finally, it with great pleasure that I saw earlier this week that one of our recent alumni, nineteen-year-old Mauro Bandeira, who has been a bright star of the Arsenal Academy, has gone out on loan to my hometown football club, Colchester United! Colchester United are renowned as an incubator of youthful football talent with a Category 2 Academy with many connections to North and East London clubs. One of the things that is so striking about Mauro is that he combines hard work, athleticism and a keenness to study. Several of his teachers have commented to me that he was always super-keen to learn and very academically-minded. This work ethic and mental plasticity, will, I am sure, stand Mauro in excellent stead and I have every confidence that he will take

League Two by storm as a first team regular, before he returns to North London.

Dr Philip Hills, Headteacher

Faith- πίστη

The prophet Elias (or Elijah), whose feast day we celebrate today, occupies a special place among the ranks of the prophets of the Old Testament, and his name is often mentioned in the New, both by the Lord or by various holy persons.

The phenomenon of prophecy first appeared among the Jews, with people known as 'ecstatic' prophets. They toured towns and villages, going into a state of ecstasy with the aid of music and dance. In this condition, they would receive divine messages, which they would then transmit to the people. At the time of

the kings, people appeared who were enlightened by God, such as Elijah and Nathan, who were distinguished for their efforts to preserve the purity of Israelite religion.

Elijah was an Israelite prophet of God, the son of Savah, and hailed from the village of Tishbe in the region of Gilead, to the west of the River Jordan. Hence his name 'the Tishbite'. He lived 816 years before the coming of Christ on earth. He was someone who had complete faith in God, a person of prayer as Saint James mentions in his epistle (5, 17-18). He was active, courageous and had burning zeal for the true God: 'I have been very zealous for the Lord God Almighty' (I Kings, 19, 10). He left no written work except for a letter he sent to Jehoram. Despite this, he's always mentioned with words of praise and is projected as an example to follow. He exercised his prophetic gift for 25 years.

It's worth noting that God intervened when Elijah was born. His father had a divine vision: two men dressed in white called the child Elijah, wrapped him in swaddling clothes and gave him a flame to eat. The father lost no time in going to Jerusalem to priests and, when he had related his vision, was told that his son would become a prophet and would judge Israel with a two-edged sword and fire.

Elijah appeared at a very difficult time for Israel, which had Ahab as king. His presence was powerful, as he performed miraculous signs in the kingdom. Without

hesitation, with boldness and courage, as an envoy from God, he went to Ahab, and forecast the three-year drought that would afflict his kingdom. At God's command, Elijah departed and went to hide in the Kerith Ravine where ravens brought him bread and meat, morning and evening.

God allowed the person of Elijah to perform miraculous events because of the zealous and unshakeable faith he had. This faith permitted him to call down fire from heaven three times, causing the Israelites to say: 'The Lord indeed is God; the Lord indeed is God'. He also stopped the rain for three consecutive years and raised the dead, such as the son of the widow at Zarephath. He burned the 100 soldiers sent by King Ahaziah to arrest him. Another miraculous event was when the widow had no bread and Elijah told her that God had said that her jar of flour and vessel of oil would not run out until the day the Lord sent rain. The widow heeded what he said and, indeed, neither the flour nor the oil ran out for quite a time. The last miracle the 'angel in the flesh' performed was to part the waters of the River Jordan.

Three of his prophecies which were fulfilled were the three-year drought, the condemnation of Ahab and the death of Ahaziah.

Elijah lived and acted in accordance with the will of God and so God took him up into heaven in a whirlwind. As he ascended into the heavens in a chariot of fire drawn by fiery horses, he allowed his cloak to fall and it was collected by Elisha. Elisha was anointed as his successor by Elijah on the instruction of God Himself: 'You shall anoint Elisha son of Shaphat as prophet in your place'. God did not allow Prophet Elijah to taste death, but instead received him directly into the heavens. When he had come to the end of his mission, Elijah told Elisha that he would fulfil his desire, which was that he, Elisha, would receive the blessing and grace of Elijah, once Elijah had ascended into the heavens. Elisha didn't want to be separated from Elijah at any price and wanted to accompany him even into the heavens. But then the Lord revealed to him a vision of a chariot of fire drawn by fiery horses taking Elijah up into the heavens, a wondrous vision, depicted in the icon above.

Saint Name Days for next week:

Date	Saint Celebrated
Monday 24 July	ATHINAGORAS, BORIS, CHRISTINA
Tuesday 25 July	ANAIS, ANN, EFPRAKSIA, OLYMPIAS,
Wednesday 26 July	ERMOLAOS, ERSI, OREOZILI, PARASKEVI

**Year 7 Head of Year – Current**

It has been a wonderful year for our Year 7. It has been such a privilege to work with them on transitioning into secondary education and I could not be prouder of how well they have all done! The year group is talented, thoughtful, and aspirational, they will make wonderful role models for the new Year 7 in September. I want to say a HUGE thank you to each and every single one of the Year 7 for making this year such fun. I look forward to working with you all in Drama and to watching you grow into the fantastic young ladies and gentlemen I know you can be. Remember what Oscar Wilde said

"Shoot for the moon. Even if you miss you will end up among the stars". Thank you to all of the parents and carers who have supported me this year, I wish you and your families a wonderful summer.

Ms Nelson (Head of Year 7 & 8)**Year 8 Head of Year 2023 - 2024**

My name is Mr Francis, and starting in September, I will be succeeding Ms Nelson as Head of Year. I would like to take this opportunity to express my gratitude to Ms Nelson for the outstanding work that she has done in ensuring that the transition that your child made from primary to secondary school went as smoothly as possible.

Year 8 will be an exciting and crucial time in their educational journey, and I am looking forward to working alongside you and your child to assist them reach their full potential.

Have a peaceful and restful holiday.

Mr Francis (Head of Year 11)**Year 10 Head of Year 2023 - 2024**

My name is Mr Browell, and I am Head of PE at St Andrew the Apostle School. I'm delighted to announce I will become Head of Year 10 for the next academic year. I have worked at the school since September 2016 and became Head of PE in 2018. I

have taught Y9 students since they joined the school in September 2020, teaching all students a mixture of physical education, drama, geography and PSHE. I have shared some fantastic moments with the year group already across sporting fixtures, trips, and school events. I am ever so excited to lead the year group through the two-year GCSE journey starting in September. I look forward to meeting all parents at the Y10 GCSE Settling in Evening in October.

Mr Browell (Head of Year & Head of PE)

Talent Show

The St Andrew Talent Show proved to be an unforgettable evening filled with an exceptional showcase of talent from the students. From breathtaking musical performances to mesmerizing dance routines, the event left both the audience and judges astonished by the remarkable skills on display.

The talent show, saw an impressive turnout of participants from various groups, including choirs, bands, soloists, actors, actresses, and dancers. The diversity of talents presented truly highlighted the immense creativity and dedication among the students.

As the performers took the stage, the judges found themselves facing an arduous task of selecting the top three acts from the plethora of outstanding performances. Each act brought a unique charm and mastery to their respective disciplines, making the deliberation process a challenging one.

In the end, the judges managed to narrow down their choices to three exceptional talents who truly shone throughout the night. Claiming the coveted first-place position was Martin, a prodigious pianist whose fingers danced effortlessly across the keys, captivating the audience with his flawless performance. Martin's ability to convey emotions through his music left everyone in awe.

Taking second place was the talented Amelia, whose mesmerizing voice enchanted the crowd. Amelia's soulful and powerful vocals effortlessly conveyed a range of emotions, captivating the hearts of everyone in attendance. Her remarkable control and expression demonstrated a maturity beyond her years.

Securing the third-place position was Ally, a gifted violinist who mesmerized the audience with her captivating melodies. Ally's flawless technique and

emotive performance on the violin left the judges and spectators alike spellbound. Her passion for music was evident in every note she played.

The judges commended all the participants for their exceptional performances and expressed their admiration for the level of talent showcased during the event. They emphasised the difficulty they faced in selecting the winners, given the extraordinary abilities demonstrated by all the participants.

Mr. Lasithiotakis, the Head of Performing Arts at the school, orchestrated a truly magnificent show, overseeing the music acts with meticulous attention to detail but not without critical help from Mrs. Nelson, the lead teacher of Drama, who led the drama group and curated the presenters, who were equally impressive. The students' acting skills brought stories to life, evoking a range of emotions whilst touching sensitive issues children are faced with when using online social platforms. Lastly, the dance groups, led by Miss Laabaied, Head of MFL, and Miss Walt, Head of Year 9 & 10 and PE teacher, showcased their talent and artistry through mesmerising and colourful choreography.

Dr Hills expressed his pride in the students' achievements and applauded the hard work of the talented performers and the faculty members involved in putting together such a remarkable event. The talent show not only showcased the immense talent within the school but also served as a testament to the school's commitment to nurturing artistic expression and providing a platform for students to shine. Dr Hills shared the news on the progress of the construction of the brand-new school building, on Brunswick Park Rd, which will be equipped with state-of-the-art facilities and dedicated spaces for arts resources. The upcoming auditorium and theatre promised to provide the students with a larger platform to showcase their talents in the future.

With such incredible talent on display, the future continues to be brighter than ever for the students who continue to impress and inspire with their exceptional abilities.

Mr Lasithiotakis (Head of Performing Arts)

Sporting Success – Jana (Year 9)

A huge well done to year nine student, Jana who competed in a rhythmic gymnastics' competition on 8 July.

Jana placed 2nd and 3rd in her two disciplines but was also awarded a special judges award for elegance and choreography.

Miss Walt (Head of Year 9 &10)

Whipsnade Zoo trip

On Tuesday, 18 July, the Year 9, and Year 10 students had the opportunity to visit Whipsnade Zoo for an unforgettable trip. The trip was a roaring success as our young learners had the opportunity to witness animals from various

corners of the globe, representing all continents. Not only did they enjoy the sights, but they also demonstrated exemplary behaviour, embodying the true spirit of our school's values.

Amidst the breathtaking landscapes and natural habitats, students delved into the realms of animal conservation and gained valuable insights into the remarkable adaptations of creatures thriving in the wild. As part of the Zoological Society of London's

(ZSL) mission, our students learned about the vital role

played by the organization in safeguarding endangered species and protecting animals worldwide.

Throughout the day, the students displayed their enthusiasm, respect, and genuine interest in the animal kingdom. Their inquisitive minds soaked up knowledge like sponges, engaging in thoughtful discussions with the zookeepers and asking pertinent questions about animal behaviour and conservation efforts.

What truly set our students apart was their impeccable conduct during the trip. Numerous members of the public approached our staff and commended the students for their polite and well-mannered behaviour. It was heartening to witness our school values reflected so admirably through the conduct of our students, both inside and outside the classroom.

Miss Walt (Head of Year 9 and 10)

End of Term Updates

As the academic year draws to a close, we would like to inform you of some important updates regarding the school's closure and provide essential safety tips to ensure a fun-filled and secure summer for our students.

School Closure Details: School will be closing for the summer break on the 20 July at 12.30 pm.

Free School Meals: For families who qualify for free school meals, lunch will be provided to students on this day. Our catering team will be distributing free school meals on Thursday. You

Summer Safety Tips for Students: As the summer holidays approach, we would like to emphasize the

importance of keeping our students safe during this time. Here are some crucial safety reminders that we kindly request you to discuss with your children:

1. **Railway Line Safety:** It is essential to educate our children about the dangers of railway lines. Trains can be extremely hazardous, and playing or walking on or near tracks is strictly prohibited. Reinforce the message that railway lines are off-limits and that their safety depends on staying away from them.
2. **Water Safety:** With the warm weather, many families enjoy spending time near bodies of water. Ensure that your children understand the importance of water safety. Emphasise the need to swim only in designated areas with adult supervision, wear appropriate safety gear, and follow all safety guidelines. Water can be a source of great joy but can also pose risks if precautions are not taken.
3. **Online Safety:** In today's digital age, it is crucial to address online safety. Encourage your children to be responsible digital citizens and remind them of the following:
 - Avoid sharing personal information online, such as full names, addresses, or contact details.
 - Be cautious while interacting with strangers online and never agree to meet someone in person without parental permission.
 - Report any suspicious or inappropriate online content to a trusted adult or teacher.
 - Regularly discuss online experiences with your children to ensure they feel comfortable discussing any concerns or incidents.

By reinforcing these safety measures, we can ensure our students have a safe and enjoyable summer break.

St Andrew Summer Challenges for KS3

Our approach to summer homework for KS3 is going to be a little different this year...

We are excited to announce that our KS3 students will be set STA Summer Challenges: a series of activities from all subjects where students can collect achievement points in September for the efforts they put in!

To avoid students spending too much time on screens, lots of these activities are practical and some are outdoor. All KS3 students will be able to access these challenges from Bromcom.

Here are some examples from Y7:

**STA Summer Challenge 2023
Year 7**

Subject	Challenge	Prove it!
English	Take part in this year's Summer Reading Challenge (this year theme is Sports and Games): for details how to take part online or in your local library check the following website: Summer Reading Challenge Or / And A Ghost Story Competition Ghost Stories (12-18 Year-Olds) / Young Writers	Write a review one of the books you have read over summer and stick/copy it into your new English exercise book in the first week of September to kick off the new academic year with some extra achievement points. Or/And Stick/copy your 250-word ghost story into your exercise book in the first week of September to kick off the new academic year with some extra achievement points.
Maths	Complete assessment QAs on Dr Frost Maths. Complete the years' courses on Dr Frost Maths.	Evidence from Dr Frost Maths progress data and points score
Science	How many practicals can you cross off! Practical Bingo	Take pictures of the practicals you do! Choose 1 to write a clear step by step method for and include safety instructions.
French	Watch a French film with subtitles such as 'Le Petit Nicolas' or 'Un monstre à Paris', or change one of your favourite programmes into French on Netflix!	Write a summary and your opinion in French to show your teacher in September for achievement points!

We look forward to rewarding students with lots of achievement points in September!

Mrs L Cooke (Deputy Headteacher)

Exam Boards

As the Summer holiday season approaches, we wanted to provide you with crucial information regarding the exam boards our school employs for GCSE

examinations for future years. This knowledge will enable you to ensure that your child has access to the correct revision guides, tailored specifically to their examination board's requirements.

To access the relevant exam board information, we invite you to visit our school website at <https://standrewtheapostle.org.uk/exam-boards>.

By referring to this webpage, you will find the exact exam boards utilised for each subject offered at our school. This information is invaluable when selecting revision materials, as different exam boards often require slightly different approaches and content coverage.

We strongly recommend that you use this information to guide your purchase of revision guides. By selecting the correct exam board-specific resources, your child will benefit from targeted and tailored content, increasing their chances of achieving their full potential in their GCSE examinations.

Should you have any questions or require further guidance, our staff are readily available to assist you and you can contact your child's teacher using the staff contact form.

Mr Martin (Deputy Headteacher)

Site

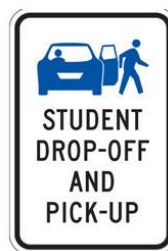

For up-to-date news on our new school building and site, please click on the following link: [St Andrew The Apostle Plans](#).

There will be more work on the pilings of the building, and once the foundations are in place, the outer structure will spring up very quickly! If you have any questions as a parent regarding the new building, do contact the school directly.

Site Drop-off and Pick-up

Drop-off and pick-up for can be busy times on the North London Business Park. Please do encourage your child to use public transport or walk or drop off/pick up outside the NLBP as this helps possible congestion and makes our site safer. If you do pick-up in the afternoon, please do use the designated orange bays to wait. Our partners, the Comer Group, have also allowed parents to use bays that are not in use on the ground floor of the multi-storey care park without paying. They have emphasised to us that waiting in your cars in these bays must not start before 2.45pm; we ask that you do not arrive before this time as you may be subject to a fixed penalty notice parking fine. Please do ensure that you do not park in the disabled parking bays if you are not displaying a blue badge as you may be liable for a fixed penalty notice parking fine also. We would like to thank all parents who do look for alternatives for drop-off/pick-up and for all of you who follow the routine of dropping off via the usual routes.

Summer Term Extra – Curricular Sports Clubs

PE extra-curricular clubs.

Please note a change in sports clubs on a Thursday this term. The table tennis club advertised will no longer run due to the public examinations in the hall. Dodgeball will now run instead from 3.00pm-4.00pm in the building 5 hall.

Monday

Activity: All Years Futsal
Time: 3.00pm-4.00pm
Venue: Building 4 Playground
***Change in building 5 changing rooms.**

Tuesday

No clubs due to Athletics League Meetings (Invite Only)

Wednesday

Activity: All Years Girls Dance
Time: 3.00pm-4.30pm
Venue: Building 5 Hall
***Change in building 5 changing rooms.**

Thursday

Activity: All Years Table Tennis
Time: 3.00pm-4.00pm
Venue: Building 4 Hall
***Change in building 4 changing rooms.**

Activity: All Years Boxercise
Time: 3.00pm-4.30pm
Venue: Building 5 Playground

***Change in building 5 changing rooms.**

Please note students do not wear PE kit to school on the day of clubs. If you do not have PE on the day of the club, but wish to attend, please bring PE kit to change into after-school. Full PE kit must be worn to after-school clubs. If you have PE lessons on the day of a chosen club, you will already be changed into full PE kit.

Mr Browell (Head of PE)

School Uniform

We are incredibly proud of our students and the way that they present themselves to our community. We do this by 'sweating the small stuff' when it comes to uniform, and this ensures that larger behaviour issues are less common. The aim of our uniform policy is to ensure that all students look professional, are ready to work in school and be prepared for the world of work after they leave us.

Please do support the school culture and ethos by helping us ensure that students have the correct uniform. In particular:

- Students should be wearing leather shoes, please click here for [boys shoes](#) and [girls shoes](#).
- Students should not wear any jewellery or piercings other than a single stud in each ear lobe.
- Students should be wearing neutral trainer socks or no socks with tights.
- Students should also have their shirt tucked in, top buttons done up and ties tied correctly.

If students arrive to school in incorrect uniform, they could be asked to return home to change and return immediately or failure to follow clear and reasonable instructions to address their uniform could result in students being detailed or placed in our Referral Room.

Mr Martin (Deputy Headteacher)

Second Hand Uniform

You can buy good quality, second-hand uniform at the following site: www.oldschooluniform.co.uk

The school accepts outgrown, good condition uniform please hand in your items to the school reception.

Mobile Phones

We would like to remind parents that the use of mobile phones is prohibited during the school day, and students should not use them to communicate with anyone including parents. This is to ensure that our students can concentrate on their learning without distractions and to maintain a positive learning environment.

Our school has a strict policy on mobile phone use, and we expect all students to adhere to this policy. Mobile phones must not be visible or used during the school day, including breaks and lunchtime. Any mobile phones that are seen or heard will be confiscated by the school staff and returned to the student at the end of the school day. If this happens twice, parents should expect to come and collect the phone from the school office.

We understand that mobile phones can be important for staying in touch with parents and guardians, particularly in emergencies. However, we have systems in place to ensure that students can communicate with parents in case of emergency. Parents can contact the school office, and we will make sure that the message is relayed to the student. We encourage parents to use this system rather than contacting their child directly during the school day.

We believe that the mobile phone ban is essential to create a positive learning environment where students can concentrate on their studies without distractions. We appreciate your support in enforcing the mobile phone ban and remind parents that it is their responsibility to ensure that their child adheres to the school's policy on mobile phone use. We encourage parents to talk to their children about the importance of the ban and the impact that mobile phones can have on their academic performance.

Thank you for your cooperation in this matter, and we look forward to continuing to work together to ensure the best possible learning environment for our students.

Mr Martin (Deputy Headteacher)

Barnet Schools' Sustainability Celebration Day 2023

Schools across Barnet came together to present the sustainability activities they are undertaking in a Sustainability Celebration Day that took place on 3rd July 2023. The event was organised by Helen Cheung, Learning Network Inspector and Strategic Lead for Early Years in Schools, Barnet Education and Learning Services (BELS) together with the Barnet Schools Sustainability Working Party.

Stalls were held by teachers and students from Sunnyfields, Brookland Juniors, Moss Hall Nursery, All Saints' NW2, Blessed Dominic, St Vincent's, Beis Yaakov, Foulds and Christ College who came together at the Royal Air Force Museum.

Students showcased the initiatives that they have undertaken including improving biodiversity locally through tree planting and gardening, having plant-based meal days, recycling batteries, litter picking, upcycling and using air quality monitors.

The schools also demonstrated how they were decarbonising their buildings, by switching from gas boilers to heat pumps, installing solar panels and LED lights.

During the event, pupils from Sunnyfields Primary gave a speech on the importance of protecting the environment, and shared their dance performance in partnership with Middlesex University for [the Wild Escape](#). To acknowledge all the students' accomplishments, the Mayor of Barnet, Councillor Nagus Narenthira, handed out certificates to the school representatives.

Other organisations were present, such as Barnet Council who exhibited the [Recommendations from the Citizens' Assembly on Climate Change](#), and [Just One Tree](#) that helps schools raise money for planting trees.

A digital magazine will be published in September to detail in depth the array of activities that the schools are already involved with and to inspire others to take action – watch this space!

Yisum Heneghan
Sustainability Engagement Officer
London Borough of Barnet

Get Active and Give Football a GO!

As England's Lionesses head to the 2023 Women's World Cup in Australia, we're encouraging everyone in Barnet to champion women and girls' football back here at home as well.

"Now I've started playing football I have more confidence in myself. Every girl should give it a go!" Watch Sena's story and give football a go.

- [Get Active. Give Football a Go. Sena's Story - YouTube](#)

Help us to shake off the negative stereotypes and perceptions around girls' football and encourage as many young girls as possible to get out there and enjoy a kick about!

There are loads of opportunities for girls to give football a go, right here in Barnet. Visit the Fit and Active Barnet (FAB) hub for a full list of clubs, teams and opportunities:

- better.org.uk/fab-women-girls-football

Rhian Sutcliffe – Project Manager
London Borough of Barnet

Jamie Oliver Group – Opportunity for Young People

We're looking for a brilliant range of kids to take part in a delicious and fun new TV series in which kids from all over the country are given the inspiration and skills to cook for the people in their lives - it doesn't matter if they've never cooked before, it matters if they want to have a go!

They will learn how to cook a special meal for their family, friends, team mates, or for a special occasion, in exchange for showing us their awesome hobby or skills; from sports to music and art, drama to dance, magic to martial arts, boxing to photography, science to fishing....you name it!

So we are looking for a variety of great kids to take part and that's where we hope your organisation might be able to help us please! We would be grateful for any support you could lend by helping to spread the word of this exciting opportunity.

We are inclusive and open to all and firmly believe there should be no barriers to taking part. As a production company, our shared aims and core values are that all children should feel represented, engaged and empowered.

We are looking for children to take part between the ages of 9 and 13 and filming will take place in the UK this Summer during the school holidays. On this occasion, you must be a UK resident.

To apply please click on this link:

artsdepot/BEAT Summer Holiday Music Experience

arts depot BARNET EDUCATION Arts Trust

Come and share a musical 4 days with us and experience the enthusiasm of the BEAT staff! From Monday 7 - Thursday 10 August 2023

Steel Pans
The Steel pan is a perfect instrument, as the basic skills are easy to learn and playing the instrument does not require any previous experience. You will have accomplished a simple melody by the end of this fun and creative session.

Latin American Percussion
Learn basic techniques on a variety of hand-held percussion instruments, hand drums or stick drums. Learn how to apply the patterns to any musical style or setting. The workshop participants will put together a fun percussion ensemble piece. No previous drumming experience needed.

West African Drumming, Dance and Singing
Our resident Senegalese expert on West African music will introduce you to traditional songs, rhythms and dance.

Band in a day (Woodwind/Brass)
Choose either a brass or woodwind instrument and learn some simple techniques enabling you to experience playing in a group. All instruments will be provided, so you don't need to bring anything with you.

Garage Band - creating loops and beats
This session includes an introduction to the program, its layout and basic features such as looping and sequencing and musical elements such as timbre, rhythm, tempo, song structure and instruments.

Ukulele
Playing Ukulele is easy! By learning a few basic chords you could be strumming in no time and learn the accompaniment to dozens of traditional, children's or pop songs. No previous experience necessary.

DJ'ing
This is a fun, practical 'hands on' session where you will learn from a professional DJ, who will teach you the basic skills on our Pioneer DJ equipment

Band in a Day (Picks and Sticks)
Explore the many aspects of rock and pop music through playing in a live band and putting together a song in a day.
