

St Andrew the Apostle Greek Orthodox School Determined Admissions Policy (Year 7) September 2022

St Andrew the Apostle Greek Orthodox School (“the school”) will provide school places for young people aged 11 - 18 and the admissions arrangements for the Year 7 intake are set out below. The arrangements for the Sixth Form are set out separately.

The school is committed to straightforward, open, fair and transparent admissions arrangements. The school will act fully in accordance with the School Admissions Code (December 2014), the School Admissions Appeals Code and admissions law as they apply to academies.

The school is part of the Pan-London Coordinated Admissions process. Applicants should apply through the Local Authority in which they live by 31st October 2021.

Published Admission Number

The school has an agreed Published Admission Number of 150 for admission into Year 7 and will admit up to this number each year.

Special Educational Needs

The admission and review of students with an Education, Health and Care Plan or a statement of special educational needs is dealt with by a completely separate procedure involving parents, schools, the Local Authority and a range of professionals. This procedure is integral to the making and maintaining of a compliant EHCP (or statement) by the student’s home Local Authority. Details of this separate procedure are set out in the Special Education Needs Code of Practice.

Oversubscription Criteria

Where the number of applications for admission is greater than the places available and after the agreed admission of any children with an EHCP, the following Oversubscription Criteria will apply in the order below:

1. Looked-after children* or children who were previously looked-after*.
2. Children for whom it is essential to be admitted to this school because of special circumstances to do with significant medical or social needs evidenced by written professional advice from a doctor, social worker, or other health professional, explaining why these needs can realistically only be met by this school.
3. Children living at the same address* as siblings* on the roll of the school, in any year group, including the Sixth Form, at the date of their own application for admission.

4. Children of staff* directly employed by the Russell Education Trust on a permanent full time or fractional contract at the school in either of the following circumstances:

i. The member of staff has been employed for two years or more before the admission application and is still employed, without having given notice or been given notice that the employment will end, at the time the offer is made.

ii. The member of staff is recruited to fill a vacant teaching post for which there is a demonstrable skill shortage (determined by the Headteacher with the Chair of Governors and the CEO of RET).

5. This is a designated Greek Orthodox School and if oversubscribed, up to 50% of the remaining places, will be based on a Faith Criterion*. If more applications meeting the Faith Criterion are received than there are places available, places will be offered in order of distance* from the home address* of the applicant to the school.

6. If fewer than the designated number places are taken up by those satisfying the Greek Orthodox Faith Criterion, then these remaining places will be first offered to those meeting the Wider Faith Criterion* in order of distance* from the home address* of the applicant to the school.

7. The remaining places will be offered to any other applicants. If there are more applicants than there are places available in this criterion, then they will be offered in order of distance* from the school.

Notes and Definitions*

Looked After Children

Looked After Children are defined as children who are (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with section 22 of the Children Act 1989, at the time an application for a school is made.

Previously Looked After Children

Previously Looked After Children are defined as children who were previously looked after but ceased to be so because they were adopted (under the Adoption Act 1976 or Adoption and Children's Act 2002) or became subject to a child arrangements order or special guardianship order.

Siblings

Siblings include full, step-, half- adopted and fostered siblings living in the same household. Cousins are not considered siblings.

Children of Staff

For applications under Criterion 4, children of staff include full, step, half, adopted and fostered children living in the same household as the member of staff.

Offers of Places

All applications received after the deadline will be considered late applications. Late applicants will be considered after those received on time. If, following consideration of all applicants, the school is oversubscribed, parents may request that their child is placed on the school's waiting list.

Home Address

A child's home address is defined as the address at which the child is normally resident with a person who is a parent as defined in Section 576 of the Education Act 1996.

A business address, a childminder's address, or any address other than the child's home will not be accepted. Proof of address will be sought and may be the subject of further investigation.

Where a child lives at more than one such address, the address will be where the child lives for the majority of the time. Where the child lives at more than one address and spends equal time at both, the home address will be counted as that at which the child is registered with their GP.

The school reserves the right to seek verification of the information parents have given on the application form and to withdraw the offer of a place if false information has been given.

Distance

Any offer of a place on grounds of proximity is conditional on the student being resident at the home address provided at the closing date for application.

If more applications are received than there are places under any of the Oversubscription Criteria then the places will be offered in order of distance from the address point of the child's home address to the school, those living closest being offered places as a priority.

All distances are straight-line distances, measured from the address point for the child's home address supplied by Ordnance Survey, to the school's main gate (which is at Building 5 of the North London Business Park) using the Local Authority's geographical information system.

Tie-Break

In the event of two or more applications that cannot otherwise be separated, the school will use random allocation as a tie-break, except in the case of siblings from the same address when all will be offered places.

Should a tie break be required it will be conducted independently. The random allocation will be via the drawing of lots, the process being conducted by an independent party.

Faith Criterion

To apply under the Faith Criterion, a supplementary information form must be completed by applicants and certified by their priest confirming the child's certificate of baptism or dedication and regular (which means at least monthly) attendance by the child's parent(s)/carer(s) over a

period of two or more years* at a Greek Orthodox Church. The supplementary information form must be returned to the school office by 31st October 2021.

**In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.*

Wider Faith Criterion

The Wider Faith criterion is based on regular, (which means at least monthly) Church attendance by the child's parent(s)/carer(s) over a period of two or more years* at a Church which is recognised by Churches Together in England. A supplementary information form must be completed under this criterion and certified by a priest/minister, confirming the attendance. The supplementary information form must be returned to the school office by 31st October 2021.

**In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.*

Operation of Waiting Lists

Where in any year the school receives more applications for places than there are places available, a waiting list will operate. From the beginning of the first academic year, this will be maintained by the school and it will be open to any parent to ask for his or her child's name to be placed on the waiting list following an unsuccessful application. A child's position on the waiting list will be determined solely in accordance with the Oversubscription Criteria. Where places become vacant, they will be allocated to children on the waiting list in accordance with the Oversubscription Criteria.

For administrative purposes, the Waiting List will be administered by the school in three 'bands'. Band 1 will be for ranking applicants who qualify for Oversubscription Criteria 1-4. Band 2 will be ranked in accordance with Oversubscription Criteria 5 and 6. The remaining applicants will be places in Band 3, ranked by distance in accordance with Oversubscription Criteria 7. Where places become vacant, they will be allocated to children on the Waiting List in accordance with the Oversubscription Criteria. If there are applicants in Band 1 of the Waiting List then they will have priority. Otherwise, a place which was originally offered to Band 2 or Band 3 will be re-offered to the highest ranking applicant in the same Band. (If a place was originally offered to Band 1 then it will be allocated to Band 2 or Band 3 as appropriate so that, over time, a ratio of 1:1 is maintained between these bands).

Appeals

Parents who fail to gain a place at the school for their child can appeal to an Independent Appeals Panel.

Children educated outside their chronological age group

Permission to submit an application for a child to be educated out of his/her age group will be considered by governors on an individual basis and will only be granted in exceptional circumstances. Once permission has been granted, the application must be made via the usual application processes and will be subject to the Oversubscription Criteria.
